

The Doon School

11 Feb at 10:39 • 🌐

Every Saturday, Udaya (O) and Varen (O) work with juniors to refill used markers that masters deposit in the boxes they keep in the Main Building and the Science Block. Over its two months' run, 'Write Your Refill' has recycled 81% of the markers it has received, saving over INR 3200 by reusing 3 kilograms of plastic.
